ABOUT EKCEPTION

Ekception (Ek Chuchirdkiatskul) is a Bangkok based DJ and producer. His sound has evolved around house and UK garage, while still rooted in disco, boogie, and funk. After making a name amongst the Bangkok DJ scene, he released his debut EP 'Wildlife' (2020) which saw the Luk Thung (Thai funk) inspired single 'Herbal Riddim' notably featured on Mixmag Asia. In early 2020, he signed to Ballloom Records, founded by two of Thailand's most renowned house acts, Q Narongwate and Funky Gangster, and has since released three records on the label. His remixes and edits of Thai artists such as Marsha, Mr. Z, Yellow Fang and Dharini Divari have also become staples in local DJ sets.
